SABINE OIL & GAS CORPORATION, <i>et al.</i> , ¹)	Case No. 15-11835 (SCC)
Debtors.)	Jointly Administered

**SUPPLEMENTAL DECLARATION OF MARK R. SOMERSTEIN OF ROPES & GRAY
LLP IN SUPPORT OF THE APPLICATION OF THE OFFICIAL COMMITTEE OF
UNSECURED CREDITORS OF SABINE OIL & GAS CORPORATION, *ET AL.*, FOR
ENTRY OF AN ORDER AUTHORIZING THE EMPLOYMENT AND RETENTION
OF ROPES & GRAY LLP AS COUNSEL NUNC PRO TUNC TO JULY 28, 2015**

I, Mark R. Somerstein, hereby declare, pursuant to 28 U.S.C. § 1764, as follows:

1. I am an attorney at law and a member of the law firm of Ropes & Gray LLP (“Ropes & Gray”). I make this supplemental declaration in support of the *Application of the Official Committee of Unsecured Creditors of Sabine Oil & Gas Corporation, et al., for Entry of an Order Authorizing the Employment and Retention of Ropes & Gray LLP as Counsel Nunc Pro Tunc to July 28, 2015* [Docket No. 215] (the “Application”), filed on August 24, 2015, and as a supplement to the *Declaration of Mark R. Somerstein of Ropes & Gray LLP in Support of the Application of the Official Committee of Unsecured Creditors of Sabine Oil & Gas Corporation, et al., for Entry of an Order Authorizing the Employment and Retention of Ropes & Gray LLP as Counsel Nunc Pro Tunc to July 28, 2015* (the “Initial Declaration”), filed as an attachment to the Application, pursuant to sections 328(a) and 1103(a) of chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”), Rule 2014 of the Federal Rules of Bankruptcy

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, include: Sabine Oil & Gas Corporation (4900); Giant Gas Gathering LLC (3438); Sabine Bear Paw Basin LLC (2656); Sabine East Texas Basin LLC (8931); Sabine Mid-Continent Gathering LLC (6085); Sabine Mid-Continent LLC (6939); Sabine Oil & Gas Finance Corporation (2567); Sabine South Texas Gathering LLC (1749); Sabine South Texas LLC (5616); and Sabine Williston Basin LLC (4440).

Procedure (the “Bankruptcy Rules”) and Rule 2014-1 of the Local Rules of Bankruptcy Procedure for the Southern District of New York (the “Local Rules”). I have personal knowledge of the facts set forth herein.

2. As stated in the Initial Declaration, Ropes & Gray received from the Debtors a list containing the names of approximately 22,800 potential parties in interest in these chapter 11 cases (the “Conflict Check List”), broken into the following categories of potential parties in interest: (i) bondholders; (ii) confidentiality agreement counterparties; (iii) current directors; (iv) current officers; (v) engagement letter counterparties; (vi) former directors; (vii) former directors of Forest Oil Corporation (“FOC”); (viii) former officers; (ix) former officers of FOC; (x) general unsecured creditors (over \$50,000); (xi) insurers; (xii) investment banks (recently used); (xiii) IT contract counterparties; (xiv) landlords; (xv) letters of credit; (xvi) litigation parties (actual and potential); (xvii) material customers; (xviii) non-debtor affiliates; (xix) professionals; (xx) RBL lenders; (xxi) SDNY court parties and U.S. Trustee; (xxii) second lien lenders; (xxiii) seismic contract counterparties; (xxiv) shareholders; (xxv) significant vendors; (xxvi) subsidiaries & affiliates; (xxvii) sureties; (xxviii) swap agreement counterparties; (xxix) taxing authorities; (xxx) trustees and agents; (xxxi) utilities; and (xxxii) royalty and working interest parties.

3. As further stated in the Initial Declaration, due to the voluminous nature of the Conflict Check List, Ropes & Gray divided the list into two priority groups: a first priority group consisting of all parties listed above except for royalty and working interest holders (the “Primary Potential Conflicts Group”) and a second priority group containing the 20,891 potential parties in interest categorized as holders of royalties and working interests (the “Secondary

Potential Conflicts Group”), which potential parties in interest categorized as holders of royalties and working interests are set forth on **Schedule 1** hereto.

4. Prior to filing the Application, Ropes & Gray finished comparing all parties in the Primary Potential Conflicts Group with the information contained in the conflict check systems and adverse party indexes maintained by Ropes & Gray (collectively, the “Conflict Check System”), and the result of this effort was disclosed in the Initial Declaration.

5. At the time of the filing of the Initial Declaration, Ropes & Gray had not yet finished comparing each member of the Secondary Potential Conflicts Group with the information contained in the Conflict Check System. But Ropes & Gray has now finished comparing the Secondary Potential Conflicts Group with the information contained in the Conflict Check System, and the facts stated in this supplemental declaration arise from that comparison.

6. Each instance in which Ropes & Gray had represented a member of the Secondary Potential Conflicts Group within the past three years was reviewed by an attorney working under my supervision and from such review it was determined that, in respect of each connection between Ropes & Gray and such parties, Ropes & Gray does not have an interest adverse to the Debtors’ estates and is a “disinterested person,” as that term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1103(b) of the Bankruptcy Code.

7. Ropes & Gray does not presently represent, nor has it previously represented within the last three years, any members of the Secondary Potential Conflicts Group, except as set forth on **Schedule 2** attached hereto and, in each instance, solely in matters wholly unrelated to these chapter 11 cases. In addition, no entity set forth on **Schedule 2** accounted for an amount

greater than 1% of the total revenue of Ropes & Gray in 2014 or of the firm's total revenue thus far in 2015.

8. The foregoing constitutes a supplemental statement of Ropes & Gray pursuant to sections 328(a) and 1103(a) of the Bankruptcy Code and Bankruptcy Rule 2014 and Local Rule 2014-1.

9. I declare under penalty of perjury that the foregoing is true and correct.

Dated: September 1, 2015
